somewhere in the dark of the night
i saw you
you looked like
there was only one spot on earth
and you stood there

i thought will i ever see you again
another woman
who has passed
my vision

a few nights later
it starts over
same woman
and i am startled

my imagination can fly
can make many movies
all in one night
one woman
many movies

do we meet on a yacht
off the shores of Greece
is it during an evening
walk along the canal
perhaps a glance in a
mirror in a crowded bar
maybe in my dreams
at night

a certain movement
of the mouth is a yes
a small shadow in the eyes
is a yes
and even avoidance is yes

we ~~don~~ sit across the turbulent
river, ~~or~~ a pier of old wood

your face is fine lines
etching the ache of
flirtation
infatuation
drawing and
moving away

grab your arm
grab your shoulders
stand close
and brush against
curly locks of hair
which i can make moist
like soft steam.

UNITY AND MORE IN '84

February 11, 1984

We are an official committee of concerned Lesbian/Gay Freedom Day Committee members, some veteran, some novice. We are making a concerted effort to get feedback from the Gay, Lesbian and Bisexual communities. In regard to the 1984 parade and future celebrations, we have formed a Five Year Plan Committee so that this may be accomplished.

Our goals are to identify and continue using the positive aspects of this parade to implement changes necessary for its growth so that the parade may become a more objective mirror of our community.

Everyone is encouraged to prepare a statement concerning the parade and celebration to bring to our town meeting, March 8th at 7:30 p.m. at the Women's Building.

As an integral member of the community, we especially need your input. One of our committee members shall be calling you within the week to discuss how best to inform the community of this most significant town meeting.

Thank you.

Sincerely,

L/GFDC
